

# Sudhanshu Chhabra

EXECUTIVE ADVISOR  
ZURN ELKAY WATER SOLUTIONS

Before moving into his current role in April 2026, Sudhanshu served as executive vice president of the company.

Sudhanshu joined the company in 2014 as president & regional executive for India and Middle East, and he also held the role of president of the Consumer and Process & Motion Control sectors. In 2018, he was promoted to vice president of the Zurn Elkay Business System (ZEBS), the system that connects its processes, purpose and values to give associates tools for continuous improvement. Prior to joining the company, Sudhanshu spent nine years with Danaher Corporation, where he led the Gilbarco Veeder-Root business as the managing director - India and subsequently as president - Asia. He has held leadership roles at Danaher, Eaton and Cummins and began his career as a sr. engineer with SKF Bearings India Ltd.

Sudhanshu earned his BTech in mechanical engineering from the Indian Institute of Technology and holds an MS in mechanical engineering from the Ohio State University and an MBA from Northwestern University's Kellogg School of Management.
