

Avado® 2-in-1 Filtered Kitchen Faucet

CONVENIENT, COMMERCIAL GRADE FILTRATION IN YOUR HOME

Enjoy safer, better-tasting water right from your kitchen sink with Elkay's Avado® 2-in-1 Kitchen Faucet. Combining the functionality of a standard faucet with advanced point-of-use filtration, it delivers fresh, cleaner water for drinking and cooking—no second tap required. Reduce plastic waste, save time and money and enjoy the everyday convenience of built-in filtration in one sleek fixture.

Finish Offerings

Chrome (CR)

Lustrous Steel (LS)

Matte Black (MB)

Three-Function Handle

Handle moves 45° backward or forward for standard hot and cold water, or 90° forward for filtered water.

Filter Life Indicator Light

An easy-to-see indicator light turns red when a filter replacement is needed. The filter should be replaced annually even if the indicator light has not activated.

Filtered Water Made Easy

- Easy installation
- No extra drilling
- Long lasting filter
- Ability to choose when you want filtered water to extend the filter life and reduce waste
