

DONATION DETAILS

Erie's Public Schools and Zurn Elkay Water Solutions Announce Donation for Cleaner, Healthier, Safer Drinking Water

As part of a yearlong celebration of the 125th anniversary of the company's founding in 1900 in Erie, Zurn Elkay Water Solutions is announcing a donation to Erie's Public Schools:

- 50 Elkay® LZS8WSSP ezH2O® Filtered Bottle Filling Stations**
ADA-compliant, refrigerated stainless-steel filtered bottle filling stations to deliver cleaner, healthier, safer water kids will want to drink at each of nine EPS elementary schools.
(elkay.com/products/details/LZS8WSSP)
- 8 Elkay® Universal Filtration Kits**
Kits to retrofit all taps in the EPS Culinary Center to Elkay® WaterSentry® filtration, tested and certified to NSF/ANSI 42, 53 and 401 to reduce lead, PFOA/PFOS (PFAS), microplastics and other harmful contaminants.
(elkay.com/products/details/EFW3000)
- 290 Elkay® WaterSentry® 71300C filter cartridges**
Five school years' worth of high-capacity (2,250-gallon) replacement filters for both Elkay® filtered bottle filling stations and filtration kits, tested and certified to NSF/ANSI 42, 53 and 401 to reduce lead, PFOA/PFOS (PFAS), microplastics and other harmful contaminants.
