

# Filtration Reimagined.

Elkay® Pro Filtration™ bottle filling stations deliver superior water protection while making filter maintenance remarkably simple.

These architecturally stunning units deliver cleaner, safer water on demand for busy spaces and crowded environments.

**TOP-ACCESS  
DESIGN**

**DOUBLE CAPACITY  
FILTER OPTIONS**

**ADVANCED  
CONTAMINANT  
REDUCTION**

Our expanded filtration portfolio still offers high capacity filter options, with new double capacity configurations that let you stack filters for extended performance. Reduce replacement and maintenance—choose from configurations with capacity up to 8,000 or 20,000 gallons.

- ✓ FL10: Ultra Capacity 10,000 GAL
- ✓ FL6: High Capacity 6,000 GAL
